Description:

The Women Empowerment Cell has organized a Speech on "Equality for Women" for Girls and Women Faculty Members in JCT College of Engineering & Technology on 17.6.14 by 10.00 am at our seminar hall. The function started with a prayer song by the first year students. Ms.R.Tharani (AP, Maths) welcomed the guest and lighting of kuthuvilaku was done by the chief guest. Our respected principal Dr.G.Ramesh presided over the function. In his presidential address, he shared the importance of today's session and addressed the gathering about women's equity, today more women than men graduate college, women enter the workforce at 50/50 and nearly half of working women are the primary breadwinner of the family. Equality is not a female issue; it's a social and economic imperative. The benefits to achieving full gender equality for a woman in the messy middle are apparent: It would mean equal pay for equal work, paid parental leave policies for both men and women and a more equitable shouldering of care giving responsibilities. The vote of thanks was delivered by Ms.Amrita Karunakaran (I PCE). The function ended with the National Anthem
